Hilary/Jayne/Etherington RIP

The celebration of Hilary's life is to take place in St. Peter's Church, Minsterworth, on Monday , 26th January 2015.

The Church is built close to the bank of the **River Severn** and probably has a pre-Norman Conquest origin. The present Church was built in 1870 to replace the medieval building that had become much damaged by repeated flooding from high tides.

Hilary Jayne Etherington (RIP)

Snowbound here! The trusty (Beemer) 4X4 got me to the two miles distant village Post Office and back I posted off Condolence Cards to Roger Etherington and Liz Perry his sister. On behalf of President— Roger Allen —and the Blaisdon Hall Past Pupils Association.

WE SHED TEARS BECAUSE HILARY HAS DIED. SOON WE WILL SMILE BECAUSE SHE LIVED, REMEMBERING OUR FRIEND NOW AND ALWAYS.

Hilary Jayne/Etherington RIP

I spoke to Hilary's sister— in law at the weekend (Liz Perry/Etherington) and learned this sad news was not unexpected. I shall send a CC to both Roger and Liz on the Association's behalf.

Hilary was well known to the Blaisdon Hall Past Pupils of the 60s and onward generations. Hilary had been a guest and helper at Reunions over the years. Hilary admired the work of the Salesians and acknowledged this in her vivid contribution to the book "**Memories of a Country Parish**" published by **Blaisdon Village**.

Cont'd 1

When she married Roger Etherington of “The Forge”, Blaisdon, they made their home in an apartment at the “Stud Farm”. In recent years Hilary has lived in Mitcheldean.

On behalf of all Past Pupils who knew Hilary and were acquainted with her extended family I express condolences, and thanks for her life, in their loss to daughter Anna-belle Liz, and Roger
